

Fourth Sunday of Lent March 11, 2018

On this **Fourth Sunday of Lent** the very depth of God's love is revealed in the Gospel (John 3.14-21): God gives his only Son, allows his only Son to be "lifted up" on a cross. God now remains patient with us while we struggle with choosing between darkness and light, evil and truth. Moreover, in the very midst of our ongoing struggle, it is God who brings us to greater belief and leads us to eternal life. Such is the depth of love God has for us!
