Thank you for choosing to support your parish through the Pre-Authorized Sunday Offering Program.

Your regular support of the ongoing needs of your parish will help continue to provide for the spiritual needs of all parishioners. The programs for sacramental preparation, the youth programs, and the support for the local and global poor along with the salary for the support staff are but a few of the needs that require your ongoing support.

Please use the forms with this letter to register your donations that you wish to give to your parish. One copy is for the parish and one is for your files. Please forward the Parish Copy form and a void cheque to the Parish Office for processing.

May God bless you for your generosity and support of your faith community.

Remembering you and your loved ones in prayer, I ask God to strengthen you in faith and fill you with peace.

Yours in Christ,

Fr. Bill Kenney
Parish Priest
